**FOR IMMEDIATE RELEASE**

August XX, 2009

**Della Donna Joins RLF**

**Winter Park, Fla. – Vincent Della Donna, AIA**, recently joined RLF, a Winter Park-based architecture, engineering and interior design firm, as a **Senior Healthcare Architect**.

Della Donna has more than 20 years of healthcare experience working in planning and design for large healthcare systems. Della Donna spent 15 years working within the largest healthcare system in New Jersey. During his tenure, he was instrumental in shaping strategic, capital and renovation initiatives, as well as supervising the design and construction of projects. His oversight, which included nine hospitals, nine long-term care facilities and numerous ambulatory care settings, provided invaluable experience and insight into the complexities of hospital operations. For the last five years, he served as Director of Healthcare Programming for a Philadelphia-based architecture and engineering firm, managing all levels of the healthcare staff and overseeing healthcare program strategies and projects within six national offices. He brings vast industry knowledge in all aspects of healthcare design including space planning, programming, consultant management, project budget/schedule development, marketing and construction management.

Della Donna is a member of the American Institute of Architects, the American Hospital Association, the American Society of Healthcare Engineers, and he has been active in the Academy of Architecture for Health for the past seven years as a forum facilitator and leader. He has a Bachelor of Architecture degree from New York Institute of Technology.

---
