Lowry Promoted to Chairman of the Board of RLF

Winter Park, Fla. – April 07, 2009 – RLF, a nationally recognized architecture, engineering and interior design firm located in Winter Park, Florida, has elected Ronald W. Lowry, AIA, NCARB, to Chairman of the Board.

Since 1980, Lowry has served as Project Director, Medical Planner and Principal-in-Charge leading the firm's healthcare projects for federal and private sector clients. His leadership has resulted in numerous projects with Florida Hospital, Orlando Health, the Department of Defense, and the Department of Veterans Affairs.

Lowry's 30 years of experience at RLF includes an extensive range of expertise in planning and design of healthcare facilities throughout the United States, Egypt, Italy and Germany. Lowry is a member of the American Institute of Architects and the National Council of Architectural Registration Boards. He earned a Bachelor of Architecture from Virginia Tech.

***RLF** – Founded in 1935, RLF is an architectural, engineering and interior design firm located in Winter Park, Fla.
